

#THANKFULTHURSDAY

October 7, 2021

Your one hour  
made a  
difference in  
the lives of  
100 men!

A BIG THANK YOU TO YOU, our  
co-workers at the Diocese of  
Tucson's Pastoral Center!

All it took was one hour and you  
made a difference in the lives of  
100 men served by the Poverello  
House in Tucson.

# Gratitude creates its own attitude!

We are grateful for your help in making Blessing Bags with toiletry items and snacks.

The blessing bags you made were delivered directly to the Poverello House minutes after you made them! The bags will be handed out to men as they arrive at the Poverello House and take a moment off the streets to shower, eat, get clothes and shoes, and have a safe place to relax.

The smiling faces of the Catholic Foundation's staff represents the caring and hardworking individuals of the Diocese of Tucson Pastoral Center, and we made sure that the Poverello House knew you were the beautiful souls that made the blessing bags.
